INTERVIEW SUMMARY

On April 16, 2009, Applicants indicated to the Examiner that the claims rejected in the outstanding Office Action (i.e., Office Action mailed on October 29, 2008), were rejected under 35 U.S.C 103(a) using a reference, US Patent 5,151,789 ("Young'789"), that does not qualify as prior art under 35 U.S.C 102(a), 102(b), or 102(e). Young'789 does not qualify as prior art because the above-identified application claims priority to, and the benefit of, Young'789. During telephone calls initiated by the Undersigned with the Examiner on April 16, 2009 and April 20, 2009, the Examiner informed applicants that the outstanding Office Action mailed on October

29, 2008 will be withdrawn. Therefore, a response to the outstanding Office Action need not be filed.

Respectfully submitted,
